

Program Description for Prospective Faculty

Program: INDIA

Approximate Program Dates: Three weeks in May

Program Focus:

This program is designed to provide students with a choice of courses while they experience the Indian culture first hand. Course proposals are welcome from all academic fields, as long as they relate closely to India.

Program Description:

The program will take place primarily in Jaipur and will begin with a 3 day visit to New Delhi. India has been home to some of the oldest civilizations on Earth with a current population of over 1 billion. India has become a leading economic power in the 21st Century, boasts a high quality educational system, and is producing recognized professionals from medicine to business. However, India does have a problematic social structure and traditions which suppress much of its population. Therefore, India is an ideal laboratory for study in a wide range of academic areas.
